FROM: Anthony Mata
Chief of Police

**SUBJECT: ANNEXATION OF CAMBRIAN
PARK PLAZA**

DATE: October 28, 2022

APPROVED

Memo #2022-057

BACKGROUND

On September 21, 2021, the City of San Jose received a proposal for a Commercial Pedestrian Planned Development Zoning District [Cambrian-Park-Plaza-Signature-Project](#). This District is currently an unincorporated area in the County of Santa Clara. The annexation is a total of 18.13 acres from the County of Santa Clara to the City of San Jose.

14200 & 14420 Union Avenue, San Jose (Southeast corner of Camden Ave and Union Ave - [Google map](#), District Tom).

The annexation process was completed on October 7, 2022, by the City Council. The current plan is for the area to be developed into a mixed-use residential and commercial village to be completed in 2025. The plan may change over time, but the following image illustrates the current project scope.

ANALYSIS

The annexation of the aforementioned area has transferred responsibility from the County of Santa Clara to the City of San Jose. Therefore, the annexation impacts communication services, police services and necessitates changes to existing beat boundaries in the respective designated police district (T1). Until the City's jurisdictional map can be updated, any dispute involving police services in the noted area should be resolved by referring to this memorandum and the above provided [Google aerial map](#).

ORDER

Effective immediately, the San Jose Police Department shall have jurisdiction for providing police services to the area listed above.

A handwritten signature in black ink, appearing to read 'A. Mata', is positioned above the printed name and title.
