

A Special Note on Department Orders

Department Orders are published by the Chief of Police to add to or revise the language in the Department's Duty Manual. These orders are in effect even if they have not yet been written into the Duty Manual. The Duty Manual is regularly updated to incorporate recent orders.

This PC-13650 online library holds all Department Orders issued since May, 2020. Some recent Department Orders may not yet have been added to the language of the current version of the Duty Manual.
