

San Jose Police Department
Advanced Rifle Specialist Operator Course
Rev. 12/22/2020

Course Title:	Advanced Rifle Specialist Operator Course Includes M-16, AR-15 Carbine, M-4, and Colt Commando Rifles.
Course Hours:	20
Course Goal:	To provide students with the information and hands-on experience needed to effectively use the Tactical Rifle utilizing various unconventional shooting positions, and various tactical movements
Audience:	Sworn Peace Officers, assigned to Tactical Units or Patrol, who are issued the above weapon as their secondary weapon and have passed the Basic Rifle Operator course. These Officers will qualify and carry it on duty in the scope of their employment.

Course Objectives

Under supervision of a qualified instructor, students will be specifically taught and expected to understand and perform with a tactical rifle the following areas:

1. Demonstrate an understanding of the Four Basic Range Safety Rules.
2. Demonstrate an understanding of loading / unloading of the weapon.
3. Demonstrate an understanding of advanced shooting techniques from conventional and unconventional shooting positions.
4. Demonstrate an understanding of safe tactical movement.
5. Demonstrate an understanding of the principles of marksmanship.
6. Demonstrate an understanding of malfunction clearances.
7. Review Law and Agency Policy regarding the use of firearms & the tactical rifle.
8. Demonstrate proficiency with the weapon and pass the qualification course.

Required Content

The San Jose Police Department Specialist Advanced Rifle Operator course will cover the following areas of California POST Commission Regulation 1081:

- (1) Law Update – AB392 & SB230
- (2) Review of Use of Force Issues, Agency Policies, and Mission
- (3) Safety Issues
- (4) Tactical Movement and Considerations
- (5) Skill Development and Qualification

San Jose Police Department
Advanced Rifle Specialist Operator Course
Rev. 12/22/2020
