**SUBJECT: UNENCRYPTED RADIO CHANNEL
SUSPENSION**

DATE: May 11, 2021

Bulletin# 2021-013

The California Department of Justice mandates all law enforcement radio channels transmitting personal identifiable information (e.g. CJIC information) be encrypted. Some of the Department's backup radio channels and some of the Santa Clara County "SB LAW" radio channels are not encrypted. As a result, these channels will be disabled for a period of 90 days. This will allow time for reprogramming of radios in preparation for the encrypted versions to be turned back on.

The affected radio channels are:

- SJ 12 – 15 (backup channels)
- SB LAW 1 – 6
- SB LAW 9 – 14

The following channels will remain operational during this period:

- SJ 1 – 8 (district channels)
- SJ 9 – 11 (backup channels)
- SB LAW 7 – 8
- SB LAW 15 – 16

In the event access is needed to one of the Department's backup channels or the SB LAW channels, reservations may be made through SJPD Communications.
