To properly close a case returned from the District Attorney's Office as NPSP (Narcotics Public Safety Program), a new disposition titled *DA Deferral* has been added in Versadex in order to articulate the true status of the case. This will also ensure accuracy for Program Manager's Reports, provide statistical information moving forward, and allow all BOI Units with cases involving NPSP to compile reports and update the cases appropriately.

Units using the case status 9: DA Deferral should update case status to F: Filed or R: DA Reject when case decision has been made or after the one-year mark.

A handwritten signature in black ink, appearing to read 'A. Mata'.
