SUPER BOWL LX AND FIFA 26

APPROVED

Memo #2025-013

BACKGROUND

On February 8th, 2026, Super Bowl LX will be played at Levi’s Stadium in the City of Santa Clara. This event will be one of the largest in the world in 2026, drawing an estimated one million visitors to the greater Bay Area. The City of San Jose and Department members will play a significant role in hosting a wide range of NFL-sanctioned events leading up to Super Bowl Sunday.

In addition to the Super Bowl, the FIFA World Cup 26 will take place in the Bay Area, with San Jose serving as one of the official host cities. Matches and FIFA-sponsored events are scheduled throughout the City of San Jose from early June through early July 2026. These events are expected to attract hundreds of thousands of visitors from around the world and will require extensive coordination between local, state, federal, and international partners.

In recognition of the extraordinary contributions Department members will make to ensure safe, successful, and memorable experiences for residents and visitors, commemorative badges for Super Bowl LX and FIFA 26 will serve as symbols of the Department’s pivotal role in these historic global events.
