

Case Study Block 3 Roles

TRAINEE

Officer Michelle Loeb

Trainee Bio

Officer Loeb is a 24-year-old female with an Associate's Degree in Police Science. She worked as a loss prevention officer for a local department store prior to entering the academy. She did well in the academy. Officer Loeb is a single parent with a 3-year-old child. She has a good work ethic and writes exceptionally well.

Scenario Description – Expectations, Functions, and Roles of the FTO

Your group should construct a brief list of appropriate introductory questions to ask the trainee to obtain information not included in the trainee bio, which will assist in better familiarizing you with her and any potential strengths or weaknesses. For example:

“What other work experiences do you have that you can apply to your patrol assignment?”

“Are there any outside problems that I should know about that might affect your work performance?”
