**SUBJECT: TRAFFIC COURT CITATION
LOCATION CHANGE**

DATE: January 14, 2023

Bulletin #2023-002

Effective Monday, January 30, 2023, the Santa Clara County Traffic Court located at 1095 Homestead Road, Santa Clara, CA 95050 will be closed on a temporary basis to all in-person services. Due to the closure, all traffic and municipal code infraction citations should be routed to South County Superior Court located at 301 Diana Avenue, Morgan Hill, CA 95037.

The Electronic Citation (E-Cite) System has been updated and the South County Superior Court address has been added. When officers cite a subject using E-Cite, officers will need to update the location of the court by clicking the appropriate courthouse. Officers should verify their E-Cite systems are synced with the E-Cite database prior to completing a new citation.

Officers who are unable to issue an E-Cite may issue a paper citation. If a paper citation is issued, the officer should affix a sticker to all three copies of the paper citation (white, yellow, and pink), indicating the updated court location. Stickers with the updated courthouse location are temporarily located in the front of the briefing room and will be available at Central Supply.

Effective immediately, all officers who issue a paper citation should affix a sticker with the updated courthouse address to the paper citation. All Electronic Citations should ensure the South County Superior Court is updated with the new address.
