MEDIA ADVISORY

There is a Press Conference scheduled for tomorrow, Friday, November 3, 2006 at 10:30AM in Room #314 at San Jose Police Headquarters, 201 West Mission Street, San Jose.

The San Jose Police Department is launching a pilot project, which will allow the public to download traffic collision reports from their personal computer. The San Jose Police Department is the first major city law enforcement agency in the State of California to provide the opportunity to purchase these reports on-line.

The on-line report request can be accessed through the San Jose Police Department website at www.SJPD.org. Under "Automated Services" on the left side of the homepage is a link titled "Download Traffic Accident Reports." There will be a live demonstration tomorrow on how to access and use the website.

Inquiries may be directed to the San Jose P.D. Press Information Office at 408-277-5339.
